THE DUPLEX AT BAYVIEW LODGE

Our Duplex units are much like our cabins - except they have a common wall with another unit (duplex-style). They are all carpeted and finished in knotty pine. These units have a common living room and share a full kitchen. Each bedroom has its own modern bathroom with shower. They all have small but well-equipped kitchens with a drip coffee maker. The living rooms are smaller than those in the cabins, but are well-appointed and comfortable. There is a common covered porch that runs the length of the building. Each unit has a Weber grill and gas heat located across from the Lodge overlooking the motel and the lake. Towels may be exchanged at the office when necessary.

OUR CABINS

Our cabins are rustic, yet well appointed. We offer 1, 2, or 3 bedroom furnished cabins. For extra guests, there is a nightly fee depending the type of accommodation you choose.
